

H.O.G. – Pretoria Chapter

Member Survey

May 2018

Purpose

To give members the opportunity to indicate their preferences with regards to events, activities and initiatives organized by the various committees and the EXCO.

We want to create an environment conducive to growth of the Chapter, where the members can have fun while positively impacting on various charities and needy organizations through our fundraising initiatives.

This survey only addresses some main aspects of our Chapter activities and members are invited to discuss any suggestions, to improve the spirit and growth of the Chapter, with any EXCO member or write a note in the Suggestion Book, which will be kept on the counter in the HOG-Corner.

Please answer all questions honestly and synopsis of the analysis of the survey will be communicated later during the month of June 2018.

The survey contains multiple choice questions and you may pick more than one answer.
